

## Job Description: Technical Director

### Overview:

The Volunteer position of Technical Director is responsible for the governance relating to the Rules of Netball as determined by World Netball and affiliates. The Technical Director will liaise with Satellite clubs overseeing all aspects of the rules of netball and ensuring that Satellite Clubs are current in their knowledge and implementation of the rules. The ideal candidate must have an in depth understanding of the sport of Netball.

### Responsibilities:

- Maintain and disseminate current records of rule changes as determined by World Netball and affiliates
- Attend, provide a report, or respond to matters arising from Netball Canada quarterly Technical Meetings
- Attend and report at the Netball Canada Annual General Meeting
- reporting and updating as applicable any rule changes received from World Netball and affiliates
- Attend monthly or Bi-monthly Executive meetings as necessary
- Maintain a database of qualified umpires and assessments throughout the Province of Alberta
- Ensure Satellite clubs have access to rules
- Facilitate development clinics and/or workshops as necessary
- Provide support to all coaching staff/volunteers in relation to rule changes and application of rules
- Maintain an accurate database record of all qualified umpires throughout the Province of Alberta
- Develop a succession plan for umpires
- May be required to attend, provide a report, or respond to matters arising from Netball Canada's National Technical Meeting or National Technical Director
- Provide guidance and direction to all volunteers when ANA host Provincial Tournaments
- Research and apply for funding grants to facilitate the development of Coaches and Umpires
- 

### Required:

- Minimum Level i Coach, or Level 1 Umpire, CANA or International Award
- Able to attend a minimum of 8 meetings per calendar year
- Vulnerable Sector check (within the last 6 months)

### Preferred

- Level ii Coach, CANA or International Award
- Level ii Umpire, CANA or International Award
